The following information will help the Scholarship Committee in determining your academic ability and potential, as well as other relevant personal and scholastic factors, which may assist in the decision process, if all other things are equal.

What academic achievements have you had and what awards have you received?
You may wish to include offices held and any outstanding activity that you have accomplished.

In what extra-curricular activities have you been involved?

In which community or religious organizations are you involved?

Tell us about your work experience.

In your own words, please describe why you should be a recipient of the Mercedes Area Chamber of Commerce Scholarship. Include your future plans and other information that you feel would be useful to the committee in considering your application. DO NOT exceed 150 words; use Times New Roman, Font 12.
